#### Technicians

We use a number of skilled technicians who are familiar with our equipment and who will work to satisfy your individual requirements. We usually quote a rate covering an entire job, however if required we can charge an hourly rate. Our hourly rate is £12 per hour to a maximum of 8 hours per day (per technician), any additional time is considered overtime and is charged at £20 per hour.

Please Note: We are delighted to quote for individual jobs as an individual entity and offer considerable discounts when equipment is supplied as a system. Please contact us if you wish to discuss an individual project. We are happy to provide honest advice at no cost to yourselves.
